Bio

I am an Interaction Designer based in Visakhapatnam, AP, India. I'm in my final year of B.Tech in Computer Science at VIT. I am keenly interested in UX design and User Research and am familiar with Figma, Framer, and Webflow. I am actively looking for internships and entry-level full-time opportunities.

Experience

FEB 2023 - MAY 2023

Pulpit Mobility, Remote - UI/UX Design Intern

- A key member of the design team, crafting visuals, wireframes, and prototypes for the brand.
- Designed and tested vital user flows of the app such as price bidding and driver-customer chat sections, contributing to the app's success..
- The app achieved over 10,000 Play Store downloads with 90% positive user feedback
